UK Nationwide Public Timetables

The best way to find the times for your journey is at. Even the range of tickets available from Eurostar is very limited.

BR Passenger Timetable 5 May 1975 to 2 May 1976 : Great Britain by British Railway Board

There are several lines where London Underground and main line trains share the same tracks. Priorities are the Kilmarnock and Maryhill lines; Edinburgh to Tweedbank; and routes in Fife.

Timetable World

The railway aspires to continue to County School. National Railway System Most infrastructure in Great Britain is owned by , a company controlled by the government's DfT.

Timetable World Viewer

Heading east to , he discovers why the town is such an attractive location for period dramas, while a ghoulish scene greets him in when he visits a Victorian operating theatre where railwaymen were treated. The first was a £20million redevelopment in 1989, with the second £897million worth of changes that brought five new platforms, two entrances, and a new bridge in 2014. .

United Kingdom

He explores the Victorian industrial landscape of depicted in 's paintings - most recognisably with matchstick figures. At , he finds a railway which now helps to harvest grown in a vast expanse of.

Great British Railway Journeys

The National Rail logo was introduced by ATOC in 1999, and was used on the Great Britain public timetable for the first time in the edition valid from 26 September in that year. It operated the former Great Central lines in northern England, extending to Liverpool and North Wales in the

west, and used them to compete with the LMS between London and the East Midlands, south Yorkshire and Manchester.
