I'm Black, But My Biracial Baby

Looks White. This Is What We Deal With.

But the most important question is a great deal less complicated.

When a Black Woman Marries a White Man

White men represent 90 million easily and white women are about 90 million. Married Black men offer a unique perspective on this important demographic trend in our country.

A Black Man's Guide to Dating White Women

No study of which we are aware has sought the perspective of married Black men to better understand why a disproportionate number of Black women are single. Most black men today as they did in past times live off of somebody. While white women gave responses to black men only 2.

Does Iceland Pay \$5,000 Per Month to Immigrants Who Marry Icelandic Women?

This is something that a lot of people are wondering about. Money problems are one of the most common reasons for couples to divorce.

How to handle the nasty women in your life

Black women are beautiful and we have so much to offer. Another 23% of the study participants noted the importance of being developmentally ready for marriage.

A Black Man's Guide to Dating White Women

Here are the words of a black girl. Don't be the kind of date that just lets everything happen to you.
