You can also feel free to contact us by email if you have questions or give us a call. Loss began the journey for all members of the constellation and is the unifying issue that binds them together. Shame is maladaptive, while guilt is generally an adaptive emotion.

Seven Core Issues in Adoption and Permanency

Grief is about acceptance, patience, adaptation, forgiveness and endurance; it changes you.

Becoming an adoptive parent requires patience, understanding and a desire to better the life of a child. People who are called to foster or adopt all share one thing in common--the desire to help the most vulnerable children thrive. Everyone grieves according to their own timeline and in their own way.

DRC ADOPTION POLICIES AND PROCEDURES

Some rescue dogs adjust to their new lives and families better than others. Do I have what it takes to foster or adopt? We do our very best to have a full and complete understanding of each individual dog and their needs, before placing that dog into a permanent home.

Adoption Newsletter Did you know that American Adoptions offers a free bi-weekly e-newsletter? Any family who wishes to be gender-specific in their adoption should contact us at 1-800-ADOPTION and ask about the possibility of an exception waiver before taking any other steps toward adoption with our agency. Adoption and permanency losses are too often left un-named, un-acknowledged, and un-grieved.
