Torrance Public Library

With this one-stop shopping service, Dewey left an enduring mark on libraries across the country.

Catalogue Home

Until the 19th century, most libraries had closed stacks, so the library classification only served to organize the subject. The exhibit provides a new lens for studying 19th century gender roles, class divisions, publishing, political satire, and British politics. The plays of William Shakespeare are another frequently cited example of the role played by a uniform title in the library catalog.
