Utilitarianism holds that the most ethical choice is the one that will produce the greatest good for the greatest number.

Public Health and Trans

Dave Bry, American Football is Too Dangerous, and It Should Be Abolished, The Guardian UK , Jan. Here, as in Nachmanides, neighbor-love functions as both the source of an aggressivity born of identification, and as its antidote.

Imagining transgender : an ethnography of a category in SearchWorks catalog

It is a form of consequentialism. Under the dominion of the opposition between the universal and particular, modern interpretations have taken his commentary as an example of a restrictive reading of love; such readings of Nahmanides, however, miss the infinitesimal calculus opened up by the logical and practical limits he marks. Whose argument do you find more persuasive, and why? Rape occurs in homes and community and can happen to people of all ages, educational levels, religious and sexual orientation.
