## Indigo

Easing pain Severe pain often makes it hard for a person to feel comfortable and at peace as he or she dies.

## Indigo

This book is chock full of down-to-earth advice on topics including: The loneliness of survival, How to live with uncertainty without going crazy; Fears of recurrence and the wisdom of these worries; The losses that must be grieved in order to move forward; The courage to live with fear and uncertainty without falling into despair; and The effect of survivor issues on our most intimate relationships.

## Indigo

My copy is in the mail, when I'm done reading it, I'll post my review here. Information about using the images in this summary, along with many other images related to cancer can be found in.

Organizing practical matters Organizing practical matters in advance lowers some of the stress of caregiving.

## Living in 'Limbo': Immobility and Uncertainty in Childhood Cancer Medical Care in Argentina

However, the harms are minor and the family may feel there are benefits if the patient is less fatigued and more alert. This may help ease confusion and disorientation.

## Taste and Smell Changes

You love to get things that came with a lot of thought or took time to create.

**Dancing in Limbo : Making Sense of Life after Cancer by Lisa K. Hunter and Glenna Halvorson**

I wonder to myself how much a body can take. There is usually no need to call medical personnel immediately.
