### U.S. GAO

Almost by definition, adaptive challenges demand learning, as they require new ways of thinking and operating. .

### Case Studies

Focused on teaching the force better tactics to get its job done, army leaders gave short shrift to strategic thinking. Ultimately, the test of system leadership is twofold: is it having an impact where it matters? Take a small break, grab a cup of coffee or whatever you like, go for a walk or just shoot some hoops.
