Choosing a foster dog The foster coordinator will work with you to select a foster dog who meets your specific requirements. What if my foster dog bites me? If the pet ends up at a shelter, we will pick the animal up and take the animal back.

But please be sure to pick up your foster dog before 7:30 pm. While foster dogs playing with other pets is often fine, we advise that you consult with your veterinarian before fostering to ensure that all of your personal pets are healthy and up-to-date on all vaccines.
