First Look: Macromedia's Contribute 3

File menu The following table lists the keyboard shortcuts for performing File menu actions in Contribute. If you select an invalid file type, Contribute warns that you cannot select this file and provides a complete list of invalid file types. Before you can use Macromedia Contribute to edit and update your website content, you must create a connection to the website—actually, to the web server that stores your website.

MACROMEDIA CONTRIBUTE 3

If the Connection Failure dialog box continues to appear, verify that your computer is connected to the network.
