BUSTED: Fox News Memo Reveals Coordinated Bias

But we must be careful about how we treat their accounts of the event. This is hardly revelatory for a presidency that has secured its place as the most secrecy-obsessed administration in history. Rudy Giuliani's first wife was his second cousin.

Sammon responds: me about my conservative viewpoint

Dave, I know you need to blog on something, and material can be hard to find on a Friday in Sept.

engage in sexual relations. No other journalist has interviewed the president more times than Sammon. People look at this thing and see, you know, some mouses being protected in Pelosi's district, some rail lines being built in Harry Reid's state.

20 Books that pick sides

He got the Republican nominee wrong. Conservatives have the intellectual honesty like Bill Kristol here to support both surges, whereas a lot of Democrats reflexively opposed George Bush's surge because--it wasn't so much because they were antiwar. One kind of surveillance you hear little about in the MSM is satellite surveillance, no doubt because the technology is super-secret so the enemies of the US cannot know our capabilities.
