Murata Himeko

While Kuvira and the governor had a private conversation, Kai remained outside with Opal and Bolin, though when Kuvira gave the orders for departure after failing to strike a deal with the governor, Kai asked if they really were not staying to help. Ichijou further clarifies that the virus only affects women, and as ovulation nears, if left untreated, the it causes respiratory seizures which eventually result in death.

Kai

Abilities Airbending Forcefully conscripted into 's army, Kai was trained in by the.

Kai

Although Kai was dismissed a few times, he managed to get through to the adults and reveal the airbenders' location to them all, to which they asked him why he had not mentioned it to them sooner, much to his annoyance. Kai was glad to find safe and sound. Without hesitation, Kai and Opal jumped off the bison and soared down, using their.

Kaisuke

He was saved by Jinora, who pulled him out of the vegetation's grasp, and the entire party rushed back through the portal.

Higurashi no Naku Koro Ni Wiki

The Squad was disbanded never re-established. Leading the rescue party toward the caves, Kai was reunited with a relieved Jinora, who excitedly hugged him. Weeks later, when Kuvira her army down to Republic City, Kai oversaw her arrival from atop a roof, together with Jinora and her airbending family, and was shocked to see the approach of an enormous.
