Accounting Principles: A Business Perspective

LAW 18B — BUSINESS LAW The primary goal of this course is to help each student develop and strengthen the use of essential critical-thinking skills while gaining a fundamental understanding of employment relations, business organizations, and government regulation. For those who are familiar with Financial Accounting, the index and glossary are sufficiently detailed.

Business

Also, really liked how debits and credits are brought into the discussion of the accounting equation early.

Concentration: Accounting

The course is designed for the General Business major. Modularity rating: 5 The book is split into appropriate parts. He is a graduate of Louisiana State University and has been inducted into the Louisiana State University Alumni Federation's Hall of Distinction.

Business

Tuition rates and student-debt continue to rise so any chance I have to cut the cost for my students removes a barrier to their success. We study unemployment, inflation, monetary and fiscal policy. Although chapters 1-5 must be presented in sequential order since we are discussing a sequence of events in an accounting cycle, the others can easily be moved around in terms of order presented.
