His hope was that Russia would become such a military powerhouse that it would stand up to the other powerful nations, especially the United States. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. Communism denies God, enslaves men, and destroys justice.

of the Communist idea is not to the masses but to an intelligent minority

China, Cuba, Laos, Vietnam remain under communist rule. If Stalin had his way, communism would have become much more widespread, especially in the West. This absorbing study of the appeals and vulnerabilities of Communism by Professor Almond and his collaborators is the first in the new series of books to be published under the auspices of the Center of International Studies of Princeton University.

of the Communist idea is not to the masses but to an intelligent minority

How many more lives must be lost to regimes before you people realize that? Myanmar army declared a one-year state of emergency and detained several government leaders including Aung San Suu Kyi.
