The Islamic program Tawhid sought to implement was limited and piecemeal. It borrowed heavily from the revolutionary symbols of the Iranian revolution, including the turbaned, bearded, and armed clergy and the veil.

## IslamicusHARAKAT AL

Tawhid was a millenarian movement whose project was to bring Islamic order to the anarchy of Tripoli and to work toward the formation of an Islamic state. It came to power in the context of the Lebanese civil war in Tripoli through armed insurrection in October 1983 and October 1985.

At least one Egyptian al-Azhar shaykh from these networks was directly involved in the initial organization of the movement in Tripoli. Some Tawhid clerics even took to riding around Tripoli on horseback as a symbol of their return to the cultural origins of Islam in the first community ummah. Typically, only the book itself is included.

Hence, this Tafsir is considered unreliable for the most part; and, despite its popularity amongst the masses, it is totally rejected by Muslim scholars. Of particular significance were their links with radical Egyptian al-Azhar shaykhs, which they first established either as theological students in al-Azhar University or as labor migrants in the Arab world. MICHAEL HUMPHREY In this section of the house are not just wives, but also daughters, sisters, and mothers; by extension harim can euphemistically refer to the family in general, in greetings and inquiries as to health.

### **IslamicusHARAKAT AL**

It was not, however, a broadly populist movement but an expression of the new coalition of local and international forces that controlled northern Lebanon.
