One Third of a Nation: Lorena Hickok Reports on the Great Depression (9780252010965): Lorena Hickok, Richard Lowitt and Maurine H. Beasley

Her assignment was to gather information about the day-to-day toll the Depression was exacting on individual citizens. Furthermore, for nearly a decade, the devastated economy responded only fitfully to New Deal reform programs. What would you do if there were absolutely nothing you could do to avoid soul-crushing poverty? Hickok was to be his chief field representative—an investigator who would travel across the country to assess how relief programs were being carried out and accepted.

Among the scores of books on the Depression, this volume is indispensable for its consistently international and comparative focus. New York: Viking Press, 1992. The transition from the Federal Emergency Relief Administration FERA to the Works Progress Administration WPA which offered jobs and wages was a natural progression for many New Dealers.

Moves to a cottage in Hyde Park. Hickok became the executive secretary of the Women's Division of the Democratic National Committee DNC in 1940, and from early January, 1941 until shortly after FDR's fourth inauguration in 1945, she lived at the White House. And when you talk with them don't ever forget that but for the grace of God you, I, any of our friends might be in their shoes.
