Vol. 43, No. 1, Jan., 2002 of Technology and Culture on JSTOR

Edited and translated by Richard A.

No. 772: Perry Collins

Many of the Western Union workers were unaccustomed to severe northern winters and working in frigid conditions made erecting the line a difficult experience.

BOOK REVIEW: To Wire The World: Perry M. Collins and the North Pacific Telegraph Expedition

Despite the fact that so much progress had been made, in July 1867, the work was officially ceased. The news spread with the greatest expedition, in all directions, and in less than thirty-six hours, the country for nearly two hundred miles, was thoroughly rallied. At the cabinet meeting on the last day of his life, he had abhorred the idea of vengeance or reprisals on the South.
