In partnership with Lund University Library, our aim is to scan many more manuscripts than are currently available; to transcribe a large portion of these, and to provide additional linguistic annotation and translations for select manuscripts. Referring to Hilary Clinton, Condoleezza Rice and Theresa May, El Saadawi once said that there are women who are more patriarchal than the men.

Access to Mideast and Islamic Resources (AMIR): May 2014

After The Fall of the Imam 1987, which contained more or less explicit references to Sadat and his regime, she started to receive threats from fundamentalist religious groups.
