Actor Career Profile

Actors also must at finding the right roles and opportunities. Many small and medium-sized theaters have difficulty getting funding. The Creating interest area indicates a focus on being original and imaginative, and working with artistic media.

Actor Job Description: Salary, Skills, & More

Most roles, no matter how minor, have many actors auditioning for them. It's hard to think of Beyoncé as anything but BEYONCÉ, but she too was once a child forced to earn her keep by doing mundane tasks for her parents.

A Jobbing Actor by John Le Mesurier

Training It takes many years of practice to develop the skills needed to be a successful actor, and actors never truly finish training. Minor notes on an acting career from northern life, to schooling in Birchington, then world travel. Early morning, evening, weekend, and holiday work is common.

Actor Job Description: Salary, Skills, & More

Actors memorize many lines before filming begins or a show opens. So if you think of it that way, the actor is the one element in a project that has the least amount of power. So, that takes a little getting used to.

Actor Career Profile

They also need to respond to what a director wants. And you can't just poof! Actors in movies may also travel to work on location.
