I'm interested in the worksheets for the A, G, R Y 11-16 books which are out of print and I can't find them second hand whereas there are lots of the books available. Alternatively, if you have the SMP 11-16 books or booklets and are looking to get rid of them please get in touch.

Can you help us by donating any of the books on the list? I still use the task on bearings to show my trainees.

Hi Has the position changed , e. Best wishes, Mary The archive, at the National STEM Centre in York, contains a wide range of SMP materials including the old lettered books, the SMP 11-16 series of books: Yellow, Red, Blue, Green and Amber; the SMP 11-16 booklets, resource books, stretchers, topic books and the SMP16-19 books. I also have some very mysterious worksheets, but cannot identify a book they come from
