Upon returning to the temple, she had inadvertently removed the beads wanting to give it to Rokudou to help him, but in the process had removed its effects and becomes the fifth girl. Please note that menu items may contain traces of nut, egg, soy, wheat, seeds and other allergens. Inside lies, a priest's uniform and a mysterious scroll passed down through his family since the Japanese , said to hold a technique that wards off demons and evil spirits.

And then the last shot in medium frame presents the pants blowing in the breeze with a plane ascending into the sky behind. One page is dedicated to being a gallery of the Final Fantasy map backgrounds in Itadaki Street. I assume that this somewhat absurd treatment of such serious content was a cause for confusion and concern with some critics.
