The only other real cringe-inducing moment is when Bryce gives his big, earnest speech that coming home has taught him life lessons.

Stars Fell On Alabama / Hodges Meteorite Historical Marker

Awakened by the pain and noise, she thought the gas space heater had exploded. Viewers are meant to take away the idea that your friends will like you for who you are, not who you're dating -- but Bryce doesn't experience any negative consequences when he lies to people and they inevitably discover it. Stars Fell on Alabama is truly a classic.

Stars Fell on Alabama by Carl Carmer

About Natasha is an English Literature teacher. About two, a cool breath came from the window. McKinney pushed the strange rock to the side of the road and continued home.
