Water level in Utah's Great Salt Lake falls to historic low

A successor to START I, , was proposed and was eventually ratified in February 2011.

Water level in Utah's Great Salt Lake falls to historic low

It was a continuation of the SALT I talks and was led by representatives from both countries.

Strategic Arms Limitation Talks (SALT II)

In addition, some limited retroactivity may be necessary as a practical matter to prevent the revenue loss that would result if taxpayers, aware of a likely impending change in the law, were permitted to order their affairs to avoid the effect of change.

Strategic Arms Limitation Talks

SALT I led to the and an interim agreement between the two countries.
