## Swapnavasavadatta of Bhasa

Bharata personified the values of service seva ,valour shaurya , and charity dana.

## Sringeri Vidya Bharati Foundation (SVBF)

Thousands sixty, and ninety we, O Kaurama, among the Rusamas have received.

## Sringeri Vidya Bharati Foundation (SVBF)

The Soma plant is renowned for its strengthening properties and is drunk before war. Rama, accompanied by his brother Lakshman, and wife Sita, departs immediately and the grief-stricken Dasaratha passes away soon afterwards.

## Bharatavani

But before we come to that conclusion, with additional research, let us take a closer look to see what the full reference to Mahamada really says.

## The Bharatas of Bharatavarsha

According to him, the word śaṃsata stands for an individual who praises. Indra hath waked the bard and said, Rise, wander singing here and there.

## Mohammed: Is He Really Predicted in Bhavishya Purana

Fain would the chariot's top bow down escaping from the stroke of heaven.

## Bharatavani

As we look back, some things startle the mind. So here is the Roman transliteration of the Sanskrit in the Bhavishya Purana, however accurate it

may be Prati Sarga: Part III, 3. Some people suggest this person to be Prophet Mohammed, and are, thus, most willing to accept that Prophet Mohammed was predicted in the Bhavishya Purana.

### **Bharatha Varsha and Bharathas**

That is why civilisational values permeated the whole land and gave the tradition its abiding continuity.
