Katsuragi Genjiro

If any title is in more than one volume, only the total number of volumes is given, without paging. .

Kagura Tsuchimiya

...

diccionario de japonés

This is the single most satisfactory guide to Japanese legal and political writings published during the period from August 1945 to the end of 1953 with which the writers are familiar. . Though she refuses to admit it, Kei cares about her brother and is genuinely interested in his personal life, though her pride has prevented her from asking him about it directly.
