The fragments of Parmenides : a critical text with introduction and translation, the ancient Testimonia and a commentary

Aristocles of ; Ἀριστοκλῆς ὁ Μεσσηνίος , in , was a philosopher, who probably lived in the 1st century AD. See, for example, the inclusion of σύγκρισις at 1110E; 180.

Plutarch's Adversus Colotem and the Cyrenaics: 1120C

For instance, in the case of F 6a.

HESIOD, Theogony. Works and Days. Testimonia

The anxiety must be a measure of the fact that in offering such judgements, opinion is venturing out on to ground which is far less secure than the territory it is used to when dealing merely with internal pathē. But once anyone tries to claim the intervening ground, so to speak, the territory external to both, then conflict is likely.

Estos fueron los representantes más importantes de esta doctrina.

Bryn Mawr Classical Review: 2011.07.10

Unfortunately the reports that we have are fragmentary and, in many cases, of doubtful reliability. Of course, the thesis that reality is indefinite is itself a definite statement.

Die Fragmente Der Griechischen Historiker: Biography and Antiquarian ...

But if, as the metaphysical interpretation would have it, the world is in its real nature indefinite, then one is also attempting the impossible, though for a different reason; one is attempting to determine a fixed character for things that inherently lack any fixed character. Vale la pena investigar dónde han aprendido que todo es incierto.
