Curriculum K

Districts can choose from a menu of training and support options including in-person, online, or a combination of both. Beginning writers explicitly learn and practice each phase of the process. This site has interactive demos, questions, images, and other science information for kids.

Writing Solution

Program Features Support the Individuality of Each and Every Learner, Regardless of Age or Preparation One size fits all never works.

Writing by Design

LETRS earned the International Dyslexia Association's Accreditation and provides teachers with the skills they need to master the fundamentals of reading instruction—phonological awareness, phonics, fluency, vocabulary, comprehension, writing, and language. A brief assessment that can be used with Acadience Reading K—6 to screen students for reading difficulties such as dyslexia.

Units of Study Reading, Writing & Classroom Libraries by Lucy Calkins

SNL's goal is to examine new approaches to inquiry science education. Since we started, our minds and vocabularies have been opened! A companion tool for use with Acadience Reading K—6 to determine instructional level and progress monitoring.
