Magnolia grandiflora, Tillandsia ulneadsites, floating fields of the Pistia stratiotes, the river and country, touches at Charlotteville--arrives at the lower trading-house.

John and William Bartram: Botanists and Explorers, 1699

Almost at once, he sets the tone of his book with descriptions of scenes at sea: For the first twenty-four hours, we had a prosperous gale, and were cheerful and happy in the prospects of a quick and pleasant voyage; but alas! However, he was introduced to Collinson early, and the two men complemented each other.
