Pearson

Among his latest books, *On Deaf Ears: The Limits of the Bully Pulpit* is a study of the effectiveness of presidential leadership of public opinion; *Why the Electoral College Is Bad for America* advocates direct election of the president; and *Governing by Campaigning* focuses on the politics of the Bush presidency.

Government in America People, Politics, and Policy, Brief Study Edition

When he determined that he was unlikely to become shortstop for the New York Yankees, he turned to political science. Through engaging and interactive boxed features and a focus on the issues that matter to most, this practical text motivates students to become active participants in our political system, and helps overcome the biggest challenge instructors face in this course—student apathy toward government. Military Academy at West Point.

Pearson

Lineberry I found the notes here but they are not for the 11th Edition.

Edwards, III, Wattenberg & Lineberry, Government in America: People, Politics and Policy with styleguide.expo.io 2.0 (High School NASTA Edition), 11th Edition

Howell is the Sydney Stein Professor of American Politics at the University of Chicago, where he serves as the director of the Center for Effective Government in the Harris School of Public Policy, the Chair of the Department of Political Science, and co-host of Not Another Politics Podcast. He recently co-edited two books -- one on party systems in the advanced industrialized world, and the other on the recent trend toward mixed-member electoral systems.
