## Gibson, Introduction to Ethics, An

The first and most famous theory of this type was. In earlier usage, the term referred not to itself but to the field of study, or branch of inquiry, that has morality as its subject matter.

## Business Ethics, An Introduction

Should they stop, fix, recall or remove the product? This doesn't mean you have no choice but to continue; rather, it means you consider carefully the nature of the obligations you take on, and work to find ways to meet them. The process of reflection tended to arise from such customs, even if in the end it may have found them wanting. Click one of the Page tabs just above to visit that page for more information.

## ethics

Versus: · Employees : they are concerned about their wages, jobs and benefits. It develops the idea of good actions by looking at the way virtuous people express their inner goodness in the things that they do. Continental versus Anglo-Saxon moral philosophy in the 20th Century See the articles by Peter Lloyd and Innes Crellin starting on the next page! Business Ethics - Duty versus Outcome Duty based Ethics : based on underlying concept of duty regardless of consequences of action taken.

## Gibson, Introduction to Ethics, An

If by some lucky freak of fate the bullet goes right through the crowd without hitting anyone, then all you are guilty of is criminal negligence. That's the sort of question that only a philosopher would ask, but it's actually a very useful way of getting a clear idea of what's going on when people talk about moral issues. Nothing else could provide such strong reasons for accepting the moral law.

## Ethics: An Introduction

Dictionary of Philosophy, Oxford: Oxford University Press. Another group of influential psychological theories with ethical implications is the movement.

## **Ethics: An Introduction**
