### Japanische Schrift

From The Early Period of Ueda Kazutoshi 81 the first appearance of comparative linguistics in the early nineteenth century, linguistics had had a continuous battle with philology, especially the classical philology of Greek and Latin. Death rates by cause are computed as a ratio of the deaths assigned to a specific cause three-year averages to a midyear census population; these crude rates because they are not broken down by age can be referred to as cause-specific death rates Barclay 1958: 151—5. We are also grateful to series editor Christopher Gerteis and Bloomsbury editorial assistant Emma Goode for their good cheer and their willingness to include the history of Japanese Taiwan in this exciting new SOAS Studies in Modern and Contemporary Japan series.

To imagine language as an entity separate from the act of speaking and to consider language as a neutral tool arbitrarily abstracted from its context are two sides of the same coin.

### Mori Ōgai

Influences from Korean ceramics After the establishment of the Teiten and the admission of ceramics, a new decoration style developed.

Tunnelöfen sind aus dem ostasiatischen Altertum stammende, liegende Einkammer-Öfen meistens in einen Hang gebaut, die für das Brennen von Töpferei-Produkten verwendet werden. As was the case with their German and American contemporaries, Japanese public intellectuals found it difficult to reconcile the seemingly amoral values of capitalism—the much-vaunted engine of modern progress—with the principles of nationalism. Its Center for American Studies, recently established within the university, seemed a nice niche.

### Militer Jepang

Di berbagai penjuru Asia, kemenangan Marsekal Terauchi disambut dengan meriah. In this endeavor he had the loyal support of his vice minister, Yamamoto Isoroku, and the head of the Naval Affairs Bureau, Inoue 43.
