Staff View: The poetics of translation :

From Publishers Weekly: A translator and poet as well as a professor of comparative literature at Indiana University, Barnstone The Other Bible establishes the central thesis of his latest book in its first section: translation is not a mechanical transcription from one language to another, but a vital interpretive process. Some think the oral or.

The Poetics Of Translation History Theory Practice PDF Book

If an earlier goal or ideal of a unified and focused approach and treatment has to be sacrificed, perhaps that ideal was never a valid one or could be in real life. A very good copy with minor wear. Recommended for students of comparative literature, philosophy, and creative writing and for informed lay readers.

The Poetics of Translation: History, Theory, Practice / Edition 1 by Willis Barnstone

With the fall of Babel, God dispersed the word, gave us tongues and the solitude of difference, and also the impossible but pleasurable duty to repair our separation.

0300051891

The book is, in fact, a mirror of the field, of the state of research and discussion in the last decade of the twentieth century. Certainly, multiplicity in approach and inference, diversity in method and conclusions are a more accurate reflection of the state of biblical studies in our time or in any foreseeable future. He looks as well at translation as a traditionally stigmatized genre.

The Poetics of Translation: History, Theory, Practice

A highly respectable copy with pristine text throughout and only minor signs of wear to the dust jacket - a small nick to crown of spine and miniscule bumping to top outer corner tips.

The Poetics of Translation: History, Theory, Practice

But in such noisy dialogue, there is not only strength but truth. Please see pictures for a closer look.

Poetics of Translation

These documents describe, in practical terms, the divinely inspired translation of the Septuagint.
