La patience de l'Autre : Asie, sciences sociales, traduction

En bref, elle permet de questionner, par la traduction, des regroupements spatialisés, autrement dit des régions. For another thing, too high expectations bear on less-translated languages when they are expected to quickly deliver new ideas to rejuvenate worn-out theories.

La patience de l'Autre : Asie, sciences sociales, traduction

Patient and reflexive translation might be a slow boat to Asia: it is a safe boarding for anyone who seriously wants to engage with otherness. Starting from a quick look at the Index translationum and flows of translation, it then broaches a programme designed at re-exploring cultural history from the angle of translations, and translators.
