The governor summoned many gentlemen to hear. A few months after he wooed the next sister for his wife, and won her ; but with her everything that had happened with the first wife was exactly repeated.

Fiabe mantovane

In 1975 the Institute published a catalog edited by Alberto Maria Cirese and Liliana Serafini including 55 variants of the ATU 707 type. He kills her and marries the second sister, whom he kills for the same reason, and marries the youngest.

FOLKLORE [FM0220]

When she learns it she departs in search of them, finds them, and, after great risk to herself, delivers them. The fantastic children's grandmother sets them on their quest for the fabulous items: the singing apple and the dancing waters.
