When I have thus annulled their externality, I cannot lose them through lapse of time or from any other reason drawn from my prior consent or willingness to alienate them.

What is the Difference Between Human Rights Legal Rights and Moral Rights

Since, then, belief or unbelief is a matter of every one's conscience, and since this is no lessening of the secular power, the latter should be content and attend to its own affairs and permit men to believe one thing or another, as they are able and willing, and constrain no one by force. One proposed answer is that legal systems, unlike morality, have devised sets of rules for transmission of rights even before the triggering condition for the exercise of the right has arrived. The term appears not to extend to such rights as those of a government agency owning property or a government minister making a legal order under delegated powers.

What is the Difference Between Human Rights Legal Rights and Moral Rights

Know what's allowed in your state and but, seriously, just don't do it. In French law the distinction is drawn by distinguishing between le Droit objectif the noun spelt with a capital according to some, but not all, writers and les droits subjectifs.

As little as another can go to hell or heaven for me, so little can he believe or disbelieve for me; and as little as he can open or shut heaven or hell for me, so little can he drive me to faith or unbelief. Principles of the Civil Code, in John Bowring ed. This, too, is criticised by Kramer and Steiner 2007 on the basis that it would include the case in which someone has, on the basis of his own interests, deliberately not been granted any such power at all.
