The XML export behavior would look alien there. You can introduce a new behavior that can work with objects of different classes without changing these classes.

VisitBritain: The Official Tourism Website of Great Britain

Visit KC and its partners have banded together to offer KC Savings—exclusive discounts for visitors, convention attendees and locals. The Visitor is alien and comes from a strange world.

Patient and Visitor Guide

It was highly likely that after this feature was implemented, someone from the marketing department would ask you to provide the ability to export into a different format, or request some other weird stuff. Access to the peak was not open while the sun breached the horizon right at 07:00, so I rushed to a nearby mountainside view to witness the moment.

Then your Customer service agent responded to our request and made sure that the issue was resolved. The first experience we encountered was about 15 years ago when insurance company declined to cover my wife's medical expenses due to lapse in communication between hospital servicing provider and insurance company. What does this mean for me? This insurance covered every bit of diagnostic workup and ER visits.

The Visitor (1979)

However, certain site features may suddenly stop working and leave you with a severely degraded experience.
