Jung Society of Washington

If someone is so uninterested in facts, why write a book that purports to share them?! Read Full Overview This is one of my favorite books on Tarot. She has done this not in an arid fashion but derived from her own experience of the Tarot and its strangely translucent lights.

Jung and Tarot (1982 edition)

They are all mirrors of our own selves at different points in our lives.

Carl Jung and Jungian Archetypes in the Tarot: The Various Aspects of

The major arcana becomes a map of life, and the hero's journey becomes something that each individual can relate to the symbolism of the cards and therefore to the personal life. But to superimpose these many grids, one atop the other, would be to distort their symmetry and destroy their usefulness.

Tarot and the Archetypal Journey: The Jungian Path from Darkness to Light

In this new edition of the classic work on Tarot and Jungian symbolism, Sallie Nichols demonstrates how to approach any Tarot deck via the archetypes and Jung's methods of word association, active imagination, and dialogue.
