### Seven different sects of Sikhism

Kohli and historians like J. New immigrants arriving at American shores often need mastery of a new language and cultural skills, as well as familiarity with Constitutional history of the United States or Canada.

### Sikhism

So it is possible to say that the basic idea behind the Sikh institution is to unite the scattered and broken society on the principles of courage and faith. It is these struggles and the institution of martyrdom for the faith which frame and mould their character.

### Fundamentals of Sikh Faith

Transformation from one Guru to the other happened in the same way as one lamp were to lit from another. Guru Gobind Singh Ji, the 10th and final living Guru, gave Sikhs their outer physical form and established a new order called the Khalsa.

### Fundamentals of sikhism

How does the mind become pure? Here we might also record that rituals and ceremonies are, broadly speaking, of three kinds: 1 Acts or rituals performed as the result of religious or ethical injunctions of the concerned faith. Introduction: In recent years some western writers as also a few Indian writers, particularly sociologists and historians, while writing about Sikh religion, its injunctions, doctrines and practices have made two fundamentally fallacious observations by calling Sikhism a tradition and a pluralistic religion.
