São Paulo

Born in Rotterdam in 1945, Rem Koolhaas is one of the most influential architects of his generation, not only as a building designer but also as an architectural theorist. Japanese immigration is also very important, the local colony being the world's largest outside Japan. A large statue of the sits atop the present tower, which was rebuilt between 1905 and 1913 by the architect.

List of tallest buildings in Brazil

Throughout the 1980s Bo Bardi led preservation and restoration projects in the historic centre of Salvador, including the House of Benin, which contains an and includes an exhibition space, and Misericórdia Hill, an extremely steep historic street both in 1987.
