initial 'Keynesian illness'? Friedman on taxation and the inflationary gap

A Senate or House member may sponsor introduce a bill, and the bill may have numerous congressional cosponsors.

About Bills, Resolutions, and Laws

Committee on Banking and Currency: , also by United States. Truman, and National Advisory Council on International Monetary and Financial Problems U.

How a Bill Becomes a Law

If the committee cannot work out a compromise version, the bill is dead for that session of Congress. For example, although the president may be supportive of the bill's main purpose, he may decide that it contains unacceptable riders.

About Bills, Resolutions, and Laws

Committee on Banking and Currency: , also by National Advisory Council on International Monetary and Financial Problems U. Although there is little agreement on a definition, most in Congress would agree that the term refers to a specific spending proposal included by a member in an appropriations bill that does not get full scrutiny.

initial ‘Keynesian illness’? Friedman on taxation and the inflationary gap

The bill's sponsors schedule when the debate on the bill will begin through a unanimous consent agreement.
