## Lush Life

In the 1680s, even minor crimes could result in execution as punishments became even harsher.

## Donald Trump and the Politics of Fear

The Anxieties of Affluence Methodological Appendix Dr. Some are more likely to clash against others, depending on where they live.

## Many men refused to marry pregnant women 'over fear of losing social standing'

The book presents an original and in-depth analysis of contemporary crime control, revealing its underlying logics and rationalities, and identifying the social relations and cultural sensibilities that have produced this new culture of control.

## 7.1 Social Control and the Relativity of Deviance

Additionally, these three different components of risk perception may interact: the impact of perceived likelihood on subsequent emotional response worry, fear, anxiety, etc. The flipside of this deflation of the status of human subjectivity is the inflation of the threat that external forces pose to the individual self. It focused on using reason and logic to question ideas that had previously been taken for granted.
