## Catechism of the Catholic Church

The content, plan and spirit of the Catechism should shape the development of all future catechetical texts. It is not ours to dispose of. These indispensable adaptations are left to the catechisms which will follow the Catechism and, even more importantly, to those who instruct the faithful.

## Catechism Commentary: The Common Good

**RESPECT FOR THE DIGNITY OF PERSONS** Respect for the souls of others: scandal Scandal is an attitude or behavior which leads another to do evil. Life must be protected with the utmost care from the moment of conception: abortion and infanticide are abominable crimes. And it gave us the Catechism of the Catholic Church.

### **Ethics in Advertising**

Catechetical directories, such as the Directory for Catechesis 2020 , the General Directory for Catechesis 1997 , and the National Directory for Catechesis 2005 , provide more information on methodology, and local catechisms, such as the United States Catholic Catechism for Adults, incorporate a methodology reflecting the audience and cultural context. But serious harm can be done them if advertising and commercial pressure become so irresponsible that communities seeking to rise from poverty to a reasonable standard of living are persuaded to seek this progress by satisfying wants that have been artificially created. Their use, except on strictly therapeutic grounds, is a grave offense.
