We love to receive photos of any embroidered projects you have completed with our designs and any feedback or comments on the works! The collection makes sense to compose and add new projects.

Designer fabrics and embroidery machine designs by Loralie Harris.

You need a sewing area that is deep as well as wide to accommodate this, but not as wide as others front-loading embroidery machines.

Deck The Halls Embroidery Design

All our free downloadable embroidery designs are of the same high quality as the others in our design shop. You have more space to maneuver your stuff then.

Stumpwork Embroidery Tutorial and Patterns

Then I came across a design on Embrillibrary Fashions through the Years and there I was looking just like I did in the 60's with the same design as the fabric. Furthermore, it takes seconds to get started, as the stitch width and length are preset — no adjustments required, unless you want some. However, there are some factors you should consider when looking for the best sewing machine for the money that fits your needs and budget.
