## Annotated Bibliography of Works on Extensive Reading in ESL

This 20-year randomized controlled trial examined the impact of social and emotional intervention programs such as social skills training, parent behavior-management training with home visiting, peer coaching, reading tutoring, and classroom social-emotional curricula for 979 high-risk students in kindergarten. The recent growth in Asian American enrollment in colleges has been accompanied by a surge in the number of Asian American campus evangelicals.

## Annotated Bibliography On Binge Drinking

This article is important to my paper because an opinion about the age being too high is backed with evidence from a specific President of a college who experienced the drinking issue firsthand. Strong correlations were found between grammar and reading, vocabulary and grammar, and especially vocabulary and reading.

## Edutopia

Finally, Kypri and Langley 2003 documented patterns of misperceptions for alcohol use in a sample of New Zealand student that replicates results of social norms research conducted in the United States. Some strategies for using simplified readers in class. New York: Oxford University Press.

## Research Project on Alcohol and Special Populations: Summary Paragraph

We acquire vocabulary and spelling by reading: Additional evidence for the input hypothesis. This 32-page booklet has brief notes on the series philosophy, with ideas for using the books in class.
