Biography of Alexis de Tocqueville

This tendency is also encouraged by their lack of leisure for detailed study.

Tocqueville, Democracy in America, 1835

See the Act of June 7, 1785: Id. The tie of language is perhaps the strongest and the most durable that can unite mankind. It may be believed that a religion which should undertake to destroy so deep seated a passion, would meet its own destruction thence in the end; and if it attempted to wean men entirely from the contemplation of the good things of this world, in order to devote their faculties exclusively to the thought of another, it may be foreseen that the soul would at length escape from its grasp, to plunge into the exclusive enjoyment of present and material pleasures.

Biography of Alexis de Tocqueville

Rather, what is required is a common body of religious opinion in support of the common morality that a free democracy needs. Every page of this book will afford new instances of the same doctrine.

De Tocqueville's Democracy In America: Summary & Analysis

Il sera l'auteur de plusieurs rapports et projets de loi.
