Shinichiro Isumi

After Touko leaves, Fujō decides that the moment of her death when she was killed by Shiki was the most that she has ever felt alive, and wanted to relive that feeling. Mikiya also makes arrangements to meet Shiki, but is surprised to find her apartment locked, although there was never a lock on the door in the past. At first glance Epilogue may appear to be a strange and far too wordy addition to the Kara no Kyoukai franchise, but don't be fooled.
