ÜBERSICHT, Anglia

Chemical Technology Division, and U. And it was most likely, because I never remembered it, that I missed it and went sailing along in the darkness, comfortable enough—for I never thought of the discomfort—until I found myself in the hedge which separated me from the road.

Mistress Spitfire: A Plain Account of Certain Episodes in the History of Richard Coope, Gent., and of His Cousin, Mistress Alison French, at the Time of the Revolution, 1642

The template can then be used to create a link to the category on a green background from the book's entry in this list.

Mistress Spitfire : a plain account of certain episodes in the history of Richard Coope, Gent., and of his cousin, Mistress Alison French, at the time of the Revolution, 1642

I had grown somewhat heated by my adventures in the bog, and the chill stuck to my bones and made me shiver. I remembered with a whimsical sense of humour that at first I had not known what to do, but that at last I had twisted the cane out of her little hands and broken it across my knee, whereupon she had burst into tears.
