Calvinism and Predestination

Edited and translated by H. Pierpaolo
Vergerio the Elder: The Humanist as
Orator.

Princeton, NJ: Princeton University Press,
1963. If England led the way in promoting
the new science, the relative openness and
intellectual diversity of its culture after the
restoration of the monarchy in 1660 is
more significant than the religion of its
scientists. For Calvinists the main
theological concern was the problem of
predestination against free will.

The Reformation of Historical Thought

Their solution was to follow the Ethiopian model and translate the gospel for listeners instead of readers, given the low percentage of literate people in the worship life of the church. And, even since the Reformation, when or where has existed a Protestant or dissenting sect who would tolerate a free inquiry? She is editor-in-chief of the Renaissance and Reformation module of Oxford Bibliographies Online, and co-editor of the text series The Other Voice in Early Modern Europe.
