The Politics of Reproduction by Mary O'Brien

Popular Reproductive Beliefs All cultures have sought to explain the mysteries of reproduction and to control the outcome of pregnancy. There is something to be said for an ideal of families as associations beyond justice whose participants think from a sense of their intertwined lives, of a common good.

Conception and Birth

In the 1973 Roe v.

Populating a Mars Base Will Be Dangerously Unsexy

Earth Democracy: Justice, Sustainability, and Peace. For us, in North America, the reclamation and commoning of the means of reproduction must necessarily take different forms.

Conception and Birth

Such views should be exposed for what they are — not least within the scientific and medical community. For more detailed information concerning DNA, RNA, and the genetic code, see the articles and.

Recognition, Social and Political

By 1950, many techniques, such as spinal and epidural nerve blocks, were greatly improved, and some American obstetricians were commonly using continuous caudal anesthesia for use during vaginal labor and delivery. We also have the many invisible, commoning activities and communities that people are creating in North America, which Chris Carlsson has described in his Nowtopia 2007.
