Popeyes offers two sides with rice: the ultra-popular Red Beans and Rice, which I previously cloned , and this rice made Cajun-style with ground beef and spices. You may also want to try the Domino's Pizza hack I created for my TV show in my book. The secret is to brine the chicken first, then blot it dry and rub the skin with oil to help make it crispy while it smokes.

## 33 of the Best Things to Collect — Things People Collect

The blend of vegetable powders adds great flavor, but if you want to omit the celery and carrot powders and just use onion powder, the recipe will still make delicious copycat fries. A few weeks ago, for my 40th birthday celebration, I wanted to have foods that had memories attached to them. Bodybuilders and athletes use it during and after games and workouts to speed up recovery and stimulate muscle growth.
