LAST OF THE ZINJA continues from TIME OF THE DRAGONS. For paperbacks, there may be multiple crease marks on the spine. There are affecting friendships between men here, but not between women.

Now the Zinja monk and his brilliant commander, Yukio, rally the rival Muratomo clan's forces, to wage again the War of the Dragons - for control of the imperial throne. But the narrative flows, it's never dull, often suspenseful, and this is a true page-turner.
